

Go Away

Teenage Bottlerocket

Go you know I love it when you go
You know I love it when you go
You know I love it when you go away
Go you know I love it when you go
You know I love it when you go away
I love it when you go away

Go you know I love it when you go
You know I love it when you go
You know I love it when you go away
Go you know I love it when you go
You know I love it when you go away
I love it when you go away

Go away
I love it when you go away (2x)
