

Mini Skirt

Teenage Bottlerocket

Woah oh

Woah oh

(5x)

Candy apple green

Colored mini-skirt dream,

This girl really pulled me under,

It's too bad she thinks that I'm a joke

Woah oh

All the other creeps in this place,

Are buying her drinks

And keep asking her for her number,

She pretends to like them but,

They don't know

All the other creeps in this place,

And keep asking her for her number,

She pretends to like them but,

They don't know
