

## Patrick

### Teenage Bottlerocket

Don't mess with Patrick  
you'll get your face kicked  
you'll get your head split  
you mess with Patrick

People think he's undercover  
you might think he's just another...  
freak decked out in normal cloths  
you'll get a busted nose

Don't mess with Patrick  
you'll get your face kicked  
you'll get your head split  
you mess with Patrick
