

Senior Prom

Teenage Bottlerocket

We don't have to go oh
We don't have to go oh
We don't have to go oh
To the senior prom no way

We don't have to go oh
We don't have to go oh
We don't have to go oh
To the senior prom no way

And I know it doesn't seem like it used to be
This came from a dream that made me wanna wake and scream
You're planning everything between you and me
And I think we're better off as just friends

Why go to the dance where they'll do their thing
To the band in the stands that doesn't know how to sing
Take a chance with me and we'll go to the beach
Or go to a Rock n' Roll show

We don't have to go oh
We don't have to go oh
We don't have to go oh
To the senior prom no way

We don't have to go oh
We don't have to go oh
We don't have to go oh
To the senior prom no way

And I know it doesn't seem like it used to be
This came from a dream that made me wanna wake and scream
You're planning everything between you and me
And I think we're better off as just friends

Why go to the dance where they'll do their thing
To the band in the stands that doesn't know how to sing
Take a chance with me and we'll go to the beach
Or go to a Rock n' Roll show

You were looking forward to the way that I looked in my tuxedo
I was looking forward to the way you looked into my eyes
I know there's a chance that we might dance in front of our whole school
Why don't we crown ourselves the king and queen of the show tonight

We don't have to go oh
We don't have to go oh
We don't have to go oh
To the senior prom no way

We don't have to go oh
We don't have to go oh
We don't have to go oh
To the senior prom no way
