

# Stupid Games

Teenage Bottlerocket

The first time I saw you  
You were drinking from the pony keg  
But by the end of the night  
You were dirty dancing on my leg  
You confessed your love to me  
The night that we watched Poltergeist  
And now you're telling all your friends  
That I'm the anti-Christ

Hey you quit fucking with my brain  
We both know you're out to drive me insane

I don't wanna play these stupid fucking games (2x)  
I'm not gonna play these stupid fucking games with you  
I don't wanna play these stupid fucking games (2x)  
I'm not gonna play these stupid fucking games with you
