

## Who Killed Sensei

Teenage Bottlerocket

When I was young I lived in japan  
Where I was trained by the old man  
I broke wooden boards with my bare head  
But then one day I found him dead  
I wanna know who killed Sensei  
Die!

Now I'm the baddes dude you know  
I learned ninjutsu and tae kwon do  
And now their time has come to pay  
I'm gonna kill whoever's in my way  
Cuz I wanna know who killed Sensei  
I want revenge on the ones who murdered Sensei
