

## Cells

Teenage Fanclub

The dead are stepping out tonight  
The battle's lost without a fight

Breaking down cells  
Breaking down  
Breaking down no no no  
Breaking down cells  
Breaking down  
Breaking down no no no

I don't preach and I don't pray  
But I can feel the slow decay

Breaking down cells  
Breaking down  
Breaking down no no no  
Breaking down cells  
Breaking down  
Breaking down no no no

Ever onward to the grave  
I have no fear but I'm not brave

Breaking down cells  
Breaking down  
Breaking down no no no  
Breaking down cells  
Breaking down  
Breaking down no no no

Breaking down cells  
Breaking down  
Breaking down no no no  
Breaking down cells  
Breaking down  
Breaking down no no no

Breaking down cells  
Breaking down  
Breaking down no no no  
Breaking down cells  
Breaking down  
Breaking down no no no
