Teenage Fanclub

It's for you
It's for you
It's for you
It's for you
It's for you
It's for you
It's for you
It's for you

I know you
I know you
I know you
I know you
I know you
I know you
I know you
You know who

It's for you
It's for you
It's not me
It's for you
It's for you

I know you
I know you
I know you
I know you

I know you
I know you
I know you
I know you
I know you
I know you
I know you
I know you
