

Don't know what I want to do
My laziness'll see me through
Happiness is all I need
The truth is never guaranteed

I'll let my state of mind content me
'til I know where my life has sent me to

All day long is long enough
To fill my head with useless stuff
Wisdom sometimes comes my way
Stolen from the words you say

I'll let my state of mind content me
'til I know where my life has sent me to

My life feels so worthwhile
When I go where you send me
When I can't find a smile
You've got one to lend me
What I don't see will sometimes find me
The truth is not what love will blind me to

My life feels so worthwhile
When I go where you send me
When I can't find a smile
You've got one to lend me
My life feels so worthwhile
When I go where you send me
When I can't find a smile
You've got one to lend me
