

It's A Bad World

Teenage Fanclub

I've got a reason
To know your name
I
I've got a reason
To stay the same

I've made up my mind
Lifes not unkind
It's all I can find

I
I've got a reason
To share your pain
I
I've got a reason
It keeps me sane

My souvenir
Of my time on this sphere
All I can hear

It's a bad world
A bad world
It's a bad world
A bad world

I've made up my mind
Life's not unkind
It's all I can find

It's a bad world
A bad world
It's a bad world
A bad world
It's a bad world
A bad world
It's a bad world
A bad world
