

## Mellow Doubt

Teenage Fanclub

It gives me pain, when I think of you  
And the things together that we'll never do  
At first it's code, and then it's hot  
Tried to be someone that I know I'm not

I'm in trouble, and I know it  
How I'm feeling, I can't show it  
But these feelings, don't go away

I remember you, lines on your face.  
Sharing a moment in the perfect place.  
I'm deep in your eyes, and inside your head.  
And I try to reach you, when I'm in my bed.

I'm in trouble, and I know it  
How I'm feeling, I can't show it  
But these feelings, don't go away

There is no choice, in what I must do.  
Nothing is greater than to be with you.

I'm in trouble, and I know it  
How I'm feeling, I can't show it  
But these feelings, don't go away
