Saw you there with long blonde hair  
Eyes of blue, oh baby, I love you.  
When you're walking (I love your walk)  
When you're talking (I love your talk)  
Look so cute behind your kick  
I've heard some songs but baby you're a hit.  
When you're rocking (I love your rock)  
When you're ticking (I'm your tock)  
But then again you're a just a thought  
You think I'm lying but I'm not.  
I love your touch, I love your style.  
Hit the snag you know it makes me smile.  
When you're walking (I love your walk)  
When you're talking (I love your talk)  
I love you but you can't see;  
I love you but baby do you agree  
When you're rocking (I love your rock)  
When you're ticking (I'm your tock)  
Then again you're a just a thought  
You think I'm lying but I'm not.

(I love your walk)  
(I love your talk)  
(I love your walk)  
(I love your talk)  
Then again you're a just a thought  
You think I'm lying but I'm not.
