

Alligator

Tegan and Sara

Sensitive, it's true
Alligator tears cried over you.
Over you over you
Over you over you
Run around on me, soon i die without
Run around on me, die without

Relentless, yes it's true
my motor mouth runs over you (oohoo)
Over you over you
Over you over you
Run around on me, soon i die without
Run around on me, die without
Over you over you
Over you over you
Over you over you
Over you over you

Run around on me, soon i die without
Run around on me, die without
No hissyfits mind my manners
Won't make a scene, oh
Over you!
Over you over you
Over you!
Over you over you
Run around on me, soon i die without
Run around on me, die without

Revelled yes, it's true
Alligator tears spilled over you
Run around on me, soon i die without
Run around on me, die without
Run around on me, soon i die without
Run around on me, die without
Over you over you
Over you!
Over you over you
Over you over you
Over you!
Over you over you
Over you!
Over you over you
Over you over you
