

Arrow

Tegan and Sara

Would you take a
Straight and narrow
Critical look at me?

Would you tell me
Tough love style
Put judicial weight on me

If you're thinking anything
If you're thinking endlessly
If you're thinking anything
If you're thinking

I feel the breeze, your feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, do you feel me coming close?
I take my aim so you feel me coming close

I feel the breeze, your feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, do you feel me coming close?
Take my aim so you feel me coming close

Would you take a
Calm and tender
Terminal kind of care?
Would you touch me?
Cling and wage an
Intimate fight for me

If you're thinking anything
If you're thinking endlessly
If you're thinking anything
If you're thinking

I feel the breeze, your feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, do you feel me coming close?
Take my aim so you feel me coming close

I feel the breeze, your feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, do you feel me coming close?
I take my aim so you feel me coming close

I feel the breeze, your feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, do you feel me coming close?
I take my aim so you feel me coming close

I feel the breeze, your feathers of an arrow
Out in my yard, feathers of an arrow
I take my aim, do you feel me coming close?
Take my aim so you feel me coming close
