

Celebration

Tegan and Sara

That stream the angels like at first
You're a threat and promising no
Between the houses and the stop signs
Your eyes your future like it all.

I don't wanna know
I don't wanna know
Well if I ever get home
I'm gonna tell you I miss you
'Cos I miss you.

Where's my
Where's my celebration?
I'm breathing with you
When you wake up
You always move closer.

By and by and I have never known
Who lied
And I said don't you know
You will live you always anyways
And you voice your fingers when you say.

I don't wanna know
I don't wanna know
Well if I ever get home
I'm gonna tell you I miss you
'Cos I miss you.

Where's my
Where's my celebration?
I'm breathing with you
When you wake up
You always move closer...

Closer, closer, closer, closer...

Listen to me
If I ever get home
If I ever get home
I'm gonna tell you I miss you
'Cos I miss you
