

Northshore

Tegan and Sara

Don't bend
Don't blink
Don't beg
Don't scream
Don't whine
Don't fight
Don't tell me, don't tell me, don't tell me

Don't feel
Don't tear
Don't kiss
Don't care
Don't touch
Don't want me, don't want me, don't want me

Something's so sick about this
My misery is so additive
I'm halfway there with your Northshore from the floor singing to you over my
shoulder

Don't run
Don't hide
Don't hurt
Don't lie
Don't breathe
Don't try
Don't find me, don't find me, don't find me

Don't cringe
Don't clench
Don't look
Don't flinch
Don't know
Don't go
Don't leave me, don't leave me, don't leave me

Something's so sick about this
My misery is so additive
I'm halfway there with your Northshore from the floor singing to you over my
shoulder

Don't sing
Don't talk
Don't yell
Don't laugh
Don't think
Don't speak
Don't save me, don't save me, don't save me

Don't stay
Don't plan
Don't heal
Don't mend
Don't take
Don't send
Don't love me, don't love me, don't love me

Something's so sick about this

My misery is so additive

I'm halfway there with your Northshore from the floor singing to you over my
shoulder [x4]
