

## So Jealous

Tegan and Sara

I don't want to be  
Part of the problem  
I try so hard  
To get roughed up

Fists on up  
It looks that easy  
It looks that way to me  
It looks that way to you

But then there's you  
Telling me I can  
Then there's you  
Screaming say something

I want the ocean right now  
I want the ocean right now  
I get so jealous  
That I can't even work

That I can't even work  
There I am in the morning  
I don't like what I see  
I don't like what I see

I don't know how  
It's become such a problem  
Keep you up all night  
If I try to remain calm  
How can they ask

Why I feel so angry  
Do you see my problem  
If I never explain it  
But then there's you

Asking me how long  
Say something  
It's taken me so long  
I want the ocean right now  
I want the ocean right now

I get so jealous  
That I can't even work  
That I can't even work  
That I can't even work

There I am in the morning  
I don't like what I see  
I don't like what I see
