

## Take Me Anywhere

Tegan and Sara

Bright just like the stars above me  
Proud just like my mother planned it  
Short on all the things I don't want  
I'm full of love and longing  
Take me by the hand and tell me  
You would take me anywhere  
You would take me anywhere  
Still, cause I don't want to move a thing  
In hopes that you'll fit right into me  
And all the things I don't want they're full  
Of love and longing  
Take me by the hand and tell me  
You would take me anywhere  
You would take me anywhere  
Take me by the hand and tell me  
You would take me anywhere  
You would take me anywhere  
And it goes, its like a come on come on to me  
And it goes it's like a come on come on to me  
You, you say you don't see any part of me  
To love in all this mess and I know  
You take the good and all the bad that comes with me  
Take me by the hand and tell me  
You would take me anywhere  
You would take me anywhere  
Take me by the hand and tell me  
You would take me anywhere  
You would take me anywhere  
And it goes, its like a come on come on to me  
And it goes it's like a come on come on to me  
And it goes, its like a come on come on to me  
And it goes it's like a come on come on to me
