

## The Con

Tegan and Sara

I listened in Yes I'm guilty  
of this you should know this  
I broke down and wrote you back  
before you had a chance to  
Forget forgotten I am moving  
fast this giving notice  
I have to go Yes I know the feeling  
now you're leaving

R: Calm down, I'm calling you to say  
I'm capsized, staring on the edge of safe  
Calm down, I'm calling back to say  
I'm home now, I'm coming all around

I'm coming around  
Nobody likes to but I  
really like to cry  
Nobody likes me Maybe if I cry

Spelled out your name and lists the reasons  
Pain of heart Don't call me back  
I imagine you when I was distant Non-insistent  
I follow suit and laid out on my back Imagine that  
A million hours left to think of you and think of that

R:

Encircle me, I need to be, taken down (4x)

Nobody likes to but  
I really like to cry  
Nobody likes me  
Maybe if I cry  
Nobody, Nobody, Nobody, Nobody, Nobody  
Nobody, Nobody, Nobody, Nobody, Nobody  
Encircle me, I need to be, taken down (4x)
