Tegan and Sara

No matter which way you go No matter which way you stay You're out of my mind, out of my mind Out of my mind, out of my mind I was walking with a ghost I said please, please don't insist I was walking with a ghost I said please, please don't insist No matter which way you go No matter which way you stay You're out of my mind, out of my mind Out of my mind, out of my mind I was walking with a ghost I said please, please don't insist I was walking with a ghost I said please, please don't insist No matter which way you go No matter which way you stay You're out of my mind, out of my mind Out of my mind, out of my mind I was walking with a ghost I was walking with a ghost You're out of my mind, out of my mind Out of my mind, out of my mind Out of my mind, out of my mind Out of my mind, out of my mind... I was walking with a ghost I was walking with a ghost I was walking with a ghost I was walking with a ghost.
