Catch the hotel and ain't a ho to be saved
And if your ass feel that way
Then you probably bitch made
Engine raised
And warnings to avoid our seriousness
Maximum protection pimp a ho till she's delirious

That's why I'm employed
By the label that made your ass lay it down on floors
Draper boys rolling deep
Necessary explanantions obsolete
Cause we don't bullshit come and peep game
I reframe in the membrane
Of a bitch to make suck her suck a dick and don't feel ashamed
Now whose the main
Suicidal like Kurt Cobain
