

# I Just Need You

Telecast

To feel Your presence move upon me  
Just like the wind  
Blowing through the trees  
To be a part of your story  
The story of love  
And of our great need- for You

You are perfect in every way  
Untouched by time and space

I just need You  
Til You're all I can see  
You're the Lord of Lords  
And the King of kings  
And Jesus, You're all this heart needs

I hear the rain and the thunder  
And in it hear Your voice  
Crying out to me  
"Come to Me you who are weary  
And I will give you rest  
I will set you free"

At Your feet I will stay  
Jesus I want to see Your face

I just need You  
Til You're all I can see  
You're the Lord of Lords  
And the King of kings  
And Jesus, You're all this heart needs  
(2x)

I need You, I need You, I need You, I need You

To be a part of Your story  
The story of love  
And of our great need for You
