

Remember

Telecast

Remember repent and repeat
Come fall at the Saviors feet
Let us leave the dry land
And rest in God's plan
Where all who are thirsty can drink
We are the ones who believed
In Jesus our Savior and King
We are held in His hand
And rest in His plan
Where all who are thirsty can drink

We're down on our knees
We're closing our eyes
We're hiding Your word deep inside
And Lord You know that we will always serve You
We're down on our knees
We're closing our eyes
We're hiding Your word deep inside
And Lord You know that we will always love You
