

The Way

Telecast

Give me words to praise and you love to love you
But it has to be you

Give me words to praise and you love to love you
But it has to be you
Take away the selfishness take away the pride
But it has to be you

You are the only way I'll go, you are only truth I know
You are the way, the truth and the life
You are the only way for me
And Jesus your love is a mystery

Give me and knowledge to know you power to serve you
But it has to be you
Take away the fear take away the shame
But it has to be you

You are the only way I'll go, you are only truth I know
You are the only life worth living for
You are the way, the truth and the life
You are the only way for me
You are the way the truth and the life
You are the only way for me
And Jesus your love is a mystery
Your love is mystery
Your love is mystery

Give me words to praise and you love to love you
But it has to be you
