

Gotta Get It Right Now

Telekinesis

Ba-ba-ba-ba, ba-ra, ba-ra
Ba-ra-ra, ba-ra-ra, ba-ra-ra-ra-ra-ba
Ba-ba-ba-ba, ba-ra, ba-ra
Ba-ra-ra, ba-ra-ra, ba-ra-ra-ra-ra

I always do what I am told
Jesus Christ, I'm gettin' old
And I gotta get it right now
I gotta get it right now

All my friends are so locked down and
I'm tryin' [Incomprehensible] screwin' around
And I gotta get it right now
I gotta get it right now

Gotta get it right now
Gotta get it right now
Gotta get it right now
Gotta get it right now

Ba-ba-ba-ba, ba-ra, ba-ra
Ba-ra-ra, ba-ra-ra, ba-ra-ra-ra-ra-ba
Ba-ba-ba-ba, ba-ra, ba-ra
Ba-ra-ra, ba-ra-ra, ba-ra-ra-ra-ra

I got visions I can't see
Country houses in one way streets
I gotta get it right now
I gotta get it right now

Sometimes this feels like a dream
Without the you, without the me
And I gotta get it right now
I gotta get it right now

Gotta get it right now
I gotta get it right now
Gotta get it right now
I gotta get it right now

Gotta get it right now
I gotta get it right now
Gotta get it right now
I gotta get it right now

Gotta get it right now
Gotta get it right now

It's alright if it means nothing
'Cause it meant something anyway
It's alright if it means nothing
'Cause it meant something anyway
It's alright if it means nothing
'Cause it meant something
