

Wires

Telekinesis

Usually the way this path is crushing me
And I'm not free
All night torn in bed
Sneer at me.

Wires, wires I see.
Wires, wires I see.
Wires, wires I see.
Wires, wires I see.

Energy, the silence acts same as, infest please
Dance of the weak, lost and found
I am free
And I know my heart is a color code
And there's not a lot of colors left
Then I see the moon, you can't know.

Wires, wires I see.
Wires, wires I see.
Wires, wires I see.
Wires, wires I see.

Wires, wires I see.
Wires, wires I see.
Wires, wires I see.
Wires, wires I see.
