Ghost Girl

```
I'm not scared
Of myself cause im not there
But it's not fair
I can see you when you're naked

I smile
cause I know you feel me inside
Touch this
Can you feel it just a minute

I'm a ghost girl
And I'm haunting in my own world
It's fine
??? is to take no-one

I'm a ghost girl
I'm a ghost girl

I'm not scared
Of myself cause im not there
But it's not fair
I can see you when you're naked

I smile
cause I know you feel me inside
Touch this
Can you feel it just a minute

I'm a ghost girl
And I'm haunting in my own world
I'm a ghost girl
And I'm haunting in my own world

I'm a ghost girl
I'm a ghost girl
I'm a ghost girl
I'm a ghost girl
