

## A Family Affair

### Television Personalities

Mrs. Brown is sad  
Her husband Jack has just passed away  
Mrs. Davies cries  
The welfare have taken her children today

Jenny's so upset  
She's just received the results of her test  
It proved positive  
And the father has loved her and left her

But why should I care  
It's just a family affair  
I telephoned God today  
But all I got was the answering machine  
Please help me
