

# How I Learned To Love The Bomb

## Television Personalities

Well there's no more sleepless nights for me  
Now it's easier from now on  
Cos I've realised exactly where I've been going wrong  
Well I've been lying awake at night  
Worrying about the Russians  
But the Russians are my friends  
Cos we've got a love that will never end

Cos now I've learned to love the bomb  
Now I've learned to love the bomb

Well once we had a plan to go to Greenham Common  
And steal a Polaris missile  
And we'd put it on the back of a lorry  
Now I keep it in my bedroom  
And it's yellow black and grey  
And I'll polish it every day  
And I don't care what the neighbours say

Cos now I've learned to love the bomb  
Now I've learned to love the bomb

Don't you be so stupid  
No no no

You should like the bomb like you love your mum

And if you want to live in a peaceful world  
There's only one thing to do  
You've gotta choose Cruise

Cos now I've learned to love the bomb  
Now I've learned to love the bomb

Don't you be so stupid  
No no no

What the hell do you take me for?  
If you going to make bombs you're longing for war

Don't you be so stupid  
Now I've learned to love the bomb

the days I've spent on CND campaigns  
Just walking, just walking in the pouring rain  
Time and time again
