### Television Personalities

I think I'll paint her name in red and blue  
And let the colour run on me and you  
Watch out for imagination  
Watch out for imagination  
Oh what shall I wear?  
My hedonistic tendencies may be the death of me  
But the pills and the spills no longer thrill me  
I'm born again, born again  
The endless parties drive me to despair  
When I'm the only famous artist there  
Watch out for imagination  
Watch out for imagination  
Oh what shall I wear?  
My hedonistic tendencies may be the death of me  
But the pills and the spills no longer thrill me  
I'm born again, born again  
Clubland people always seem absurd  
Chatting up the birds  
Oh I'm born. Oh I'm born. Oh I'm born again!  
Clubland people always seem absurd  
Chatting up the birds
