

Say You Won't Cry

Television Personalities

It's so sad to wave you goodbye
So say you won't cry when I'm gone
And I promise you I won't be long
Don't be scared to look outside the crowd
To shout your name out loud
And you'll find you didn't really leave much behind
Girl, ever since I've known you
I've known that you were somebody good
Now it's goodbye
Say you won't cry when I'm gone

Goodbye
Groovy goodbye
Say you won't cry when I'm gone

And I promise you I won't be long
Well girl, ever since I've known you
I've known that you were somebody good
Now it's goodbye
Groovy don't cry when I'm gone

Goodbye
Groovy goodbye
Say you won't cry
