

Scream Quietly

Television Personalities

Love's a thousand things
Everyone a precious thing
Love's a thousand dreams
Everyone a mystery

Someone stole her dream today
She'd saved it for a rainy day
Scream quietly, or the neighbors will hear

Now he's gone away
Haven't heard her cry for days
Then the ambulance came
Heard it on the news today

Someone stole her dream today
She'd saved it for a rainy day
Scream quietly, or the neighbors will hear
