

Sometimes I Think You Know Me Better Than I Know Myself

Television Personalities

Sometimes I wonder what exactly is it you want me to give?
Sometimes I wonder what exactly is it you want me to show?
I know I made you unhappy, so you've got nothing to prove
So tell me why don't you leave me? 'cause I've got nothing on you
Sometimes I think you know me better than I know myself
Sometimes I think you know me better than I know myself
Sometimes I wonder what exactly is it you want me to know?
Sometimes I wonder where exactly is it you want me to go?
I've heard you talking about me and every word of it's true
I know I made you unhappy, so you've got nothing to prove
Sometimes I think you know me better than I know myself
Sometimes I think you know me better than I know myself
Think you know me better
Think you know me better
Your mother thinks I'm a nancy
And your father thinks I'm a fool
