

Very Dark Today

Television Personalities

I'm feeling very dark today
Very sad today
I thought I had it all worked out
I thought I'd buried all my doubts
Oh, if could touch the sky I would try
Oh, if I could grab a star I would try
With all my might
But I'm feeling bad today
I thought I had my life worked out
I thought I'd buried all my doubts
I'm feeling very dark today
