Au cafñ usually so mild
Tonight sound is really wild
All the boys look super chic
All their songs are fantastic

New music has made it's way
Automatic rythmns play
Invading the world around

Electronic dancing sound

When the dancers start to flee
We drinks every daikiri
Sitting in the Moskow train
Heading for the Tokyo main

And if love enters our mind
One solution of it's kind
Is to glance at the photo
Of Mrs. Brigitte Bardot
