

All Night Thing

Temple of the Dog

She motioned to me
That she wanted to leave
And go somewhere warm
Where we'd be alone
I do not know, what's going on
But I'm guessing it's an all night thing

If it's an all night thing
Nobody is gonna make it end
And if it doesn't begin
Don't worry that I'll that offense
And if it's an all night thing
And we fall like a tear falling
To the ground
I'll never come around
And you'll never hear a word from me
If it's an all night thing

I walked along, feeling at ease
And falling like rain
Into her scheme
She won't let on what that will be
But I'm guessing
It's an all night thing

If it's an all night thing
Nobody is gonna make it end
And if it doesn't begin
Don't worry that I'll take offense
And if it's an all night thing
And we fall like a tear falling
To the ground
I'll never come around
And you'll never hear a word from me
If it's an all night thing
