

## Fragment's Light

### Temples

East is where the western heart resides  
The sunlight of the desert  
Become a deafening child

Parched in the sun  
A group of [?]  
A journey from [?]  
A dawning of a new

Ahh... (2x)

Adrift and he will come into the morning  
God of distant white  
And the teeming lips  
Astral shapes are found  
Breaking into fragments

Astral shapes  
Breaking in fragments while  
Breaking into the night
