

Life

Ten Foot Pole

You're lying on the cross
They come up to you
Blood rushing through your veins
And you don't know what to do
They said you were crucified
For all of your sins
Now you're dead
Dead on the cross

Millions of people died in your name
Is this the way you make them feel your pain
Tv preachers tell us all
Your coming back to save man from his fall
I have my doubts
About what you say
Because it's hell
Living from day to day
