## **Truck Driving Punk**

**Ten Foot Pole** 

I'm moving slowly 'cause i'm not feeling too good today What was i thinking before i started Drinking yesterday Oh what the hell tomorrow it's only sunday

And tomorrow i will be hanging with my head Over a bucket there's always a good side to the bad So i said fuck it i know for sure i'm still alive Though i wish that i was dead

I throw up six or seven times Before i even get out bed I throw up six or seven times Before i even get out bed

But tonight I'll drown these sorrows And be punk fuckin drunk
