

# Ain't My Beating Heart

Ten Sharp

Go, there's no place for you in my heart  
I don't need you  
Leave just a picture of you on my wall  
It's not a memory

You say that I  
I can't do without you  
But you're wrong this time

Give me your number to call on the phone  
Just in case  
But don't you think that I want you back in my home  
Oh no

It ain't my beating heart that beats for you  
I guess it's just your fantasy  
It ain't my beating heart that bleeds for you  
It's not for you  
No, not for you

It ain't my beating heart that beats for you  
It's not for you  
No, no not for you

Think you see tracks of tears on my face, my baby  
Yes, your heart must be the loneliest place in the world  
You say that I  
I can't do without you  
But you're wrong this time

It ain't my beating heart that beats for you  
I guess it's just your fantasy  
It ain't my beating heart that bleeds for you  
It's not for you  
No, not for you

It ain't my beating heart that beats for you  
I guess it's just your fantasy  
It ain't my beating heart that bleeds for you  
It's not for you  
No, no not for you
