

Fly Away

Ten Sharp

Fly away
like a bird on silver wings
don't wait for me this time
I'll be there someday

Take my love
Take it with you
Don't wait for me
to come running after
I need my time right here
Having so much

Now there is nothing left
time has come to leave I see it
in your eyes
when tomorrow comes
I'll remind the sunlight in your smile

You're the one that loves me
You're the one that give it all for free
I'm the one that really needs you
There's no place for us

Fly away
and live your life so free
now it's out of my hands
I've learned a lot today

And there's nothing left
time has come to go I see it
in your eyes
there's no answer to all this

Fly away
And touch the stars at night
When all is said and done
it's no use living in the past
having it all

And there's nothing left
time has come to live it
in your eyes
when tomorrow comes
I'll remind the sunlight in your hair
