

Ray

Ten Sharp

It always will be great to hear
Blues man Ray singing
The way that he cries out his soul
Is always more than music yeah

Piano sings the chorus so easy
And Ray

His vocals help the blues survive
Who'll forget 'Georgia On My Mind'
For me the greatest voice alive
That's black man Ray hey hey

Piano sings the chorus so easy
And Ray plays anything
Piano sings the chorus so easy

And Ray keeps on groovin'
Ray keeps on groovin'
Ray keeps on groovin'
Ray keeps on groovin'

He has a heart that's big enough
To hold all the people yeah
This music
A reflection of
Oh babe
Of what's on his mind

Piano sings the chorus so easy

And Ray keeps on groovin'
Ray keeps on groovin'

Piano sings the chorus so easy
And Ray (plays anything)
Piano sings the chorus so easy
And Ray

Piano sings the chorus so easy

And Ray keeps on groovin'
Ray keeps on groovin'
Ray keeps on groovin'
Ray keeps on groovin'

Piano sings the chorus so easy

Groovin'
Groovin'
Groovin'
Groovin'
Groovin'
Groovin'

(Plays anything)
