

## Boogie On

Ten Years After

I got home too late last night, I wasn't feelin' too groovy  
I went and done a terrible thing, I forgot to boogie - huh!  
I should've got it on, get off on the blues  
I'll show you how it goes, I want you all to boogie!

All - right!

Boogie alright, boogie alright, boogie alright baby  
Boogie all night baby, boogie all night baby  
Boogie all night baby
