

## Don't Want You Woman

Ten Years After

Don't want you woman, please stay away from me  
Don't want you woman, please stay away from me  
Well the one I got she is, sure good enough for me  
Don't call me baby, I don't think it's kind  
Don't call me baby, I don't think it's kind  
Well, I got another woman - don't intend to leave her  
behind  
Don't call me baby, call me on the phone  
Don't call me baby, call me on the phone  
If you wanna be kind to me girl, kindly leave me alone  
Don't come on up to me baby, when you see me walkin' down  
the town  
Don't come on up to me baby, when you see me walkin' down  
town  
Don't wanna be unkind girl, but  
You ain't the kind of woman I want around - Hey right!  
Don't want you woman, please stay away from me  
Don't want you woman, please stay away from me  
Well the one I got she is, sure good enough for me
