

Good Morning Little Schoolgirl (Live)

Ten Years After

Good morning little schoolgirl
Can I go home, home with you?
Good morning little schoolgirl
Can I go home, home with you?
Tell your mama and your papa
Big be schoolboy, too

I won't bore you, yeah
Baby, I won't bore you all night long
Yes, I do
Baby, I wanna ball you
I wanna ball you all night long
Tell your mama and your papa
Baby, baby, doing nothing wrong, child
I'm doing nothing wrong, yeah

I won't bore you, yea, yea, huh
Baby, I wanna ball you all night long
Yes, I do, child
I won't bore you, darling, yea
I won't bore you all night long
Tell your mama and your papa
Baby, baby, we're gonna do nothing wrong
Wrong, wrong, wrong
Baby, I wanna ball you every night
Oh, yeah, come on now
