

## Hard Monkeys

Ten Years After

Got no monkey on my back  
And I'm never gonna crack

'Cause it's a good life  
Too good to lose  
But it's a hard world  
With the junkie blues

Got no street car called Desire  
And I'll never light the fire

'Cause it's a good life  
Too good to lose  
But it's a hard world  
With the junkie blues
