Forever and ever

When I lay me down to sleep Bless the lord my soul to keep Bless my family friends and all Bless my deeds however small Amen The iridescence of light Burns like a fire And it calls the spirits lost beyond the gloom The effervescence of life Fuels their desire Like the candle draws the moth to certain doom I sense the srorm begin, This rage never dies No psychic energies can save us this time... The well of souls unchains a dark forgotten bane, A strange apparition... (Strange Apparition) In dark clandestine ways it lies, it mocks and shames This strange apparition... (Strange Apparition)... Mains You can't resist, you can't hide, It churns like a bile And it roams the astral plains in Solitude But when the hatred won't die It burns and defiles Every soul it traps is chained for perpitude This is no ordinary demon inside It stares into your eyes, It plays with your mind... The well of souls unchains a dark forgotten bane, A strange apparition... (Strange Apparition) ... It speaks in childlike ways, misguides the lost and strayed This strange apparition... (Strange Apparition)... Preys Our Father who art in heaven Hallowed be thy name Thy kingdom come thy will be done On earth as it is in heaven Give us this day our daily bread And forgive us our trespasses As we forgive those who trespass against us Lead us not into temptation But deliver us from evil For thine is the kingdom, The power and the glory

Amen

The well of souls unchains a dark forgotten bane, A strange apparition...
(Strange Apparition)...
The weak on which it preys,
Tormented souls, betrayed
This strange apparition...
(Strange Apparition)...
Reigns

Every dawn that breaks
Banishes the plague
Knowing truth, faith and light still reign...
