

A Black Book bound with a red rose of ruin  
Tells the tale of every woman, every man, and who  
they're screwing,  
Fire down below,  
Wild, it can't be tamed,  
Powers beyond control,  
You just surrender again, now  
A Black Book bound with a red rose of ruin...

A lovers lesson scores eleven then falls,  
You lose possession and your heart stops beating,  
Soar, descend an then crawl...

Oh my god! You don't know what you're doing,  
You lose a little self respect,  
You close your eyes to get you through it,  
Lies taking hold, guile that then betrays,  
Sighs a passion knows, and what you can't feel "Fake  
It!"  
Oh my god! You don't know what you're doing...

A lover's lesson shows you heaven then falls  
Into the hell on earth of human sewage...

Dirty "Book Of Secrets",  
Dirty book of lies,  
My book of lovers, full of legendary lines,  
Dirty "Book Of Secrets",  
Dirty book of lies,  
Ain't no body ever had a book like mine....

Oh my god! You were once such a looker  
But now I've peeled away your shell  
You're just a five dollar hooker,  
Time takes its toll, lines you can'T erase,  
Harder on my eyes now you're indelibly stained,  
Oh my god! From a "looker" to a "sucker"...

A lovers lesson hits another brick wall,  
Was it your face that took the impact baby?
