

Endless Symphony

Ten

Phrasing
Refraining
Staccato in lines on vermillion staving
Sublime notes
Devine strokes
In signature time, to crescendo and climbing

Through pizzicato scenes
We guide legato dreams
Weave our Adagio, this timeless diadem,
We gain polyphony
We feign epiphany
Then die alone entrapped in silent requiem

Life is an endless symphony in time
Life is an endless symphony in time

Abidance
In silence
Pianissimo sighs to fortissimo violence
Sforzando
Glissando
Andante, maestoso, vivace, rallentando

Through pizzicato scenes
We guide legato dreams
Weave our Adagio, this timeless diadem,
We gain polyphony
We feign epiphany
Then die alone entrapped in silent requiem

Life is an endless symphony in time
Life is an endless symphony in time

Endless symphony
Life is an Endless Symphony...
