

She's 39, but she still looks young  
Not very young, but a lot of fun  
She's my 39 lady in the sun

49 and I'm feelin' fine  
In the sun that's a lot of fun  
Drinkin' mai tais, kickin' back with my flip-flops on

I'm wearin' socks and my toe is tight  
I think about her every damn night  
39 year-old lady, she looks pretty good to me

I'm 49, drinkin' white wine  
Not goin' out with no 19 year-old chickities no more  
From now on I got my 39 year-old whore  
Oh!

Don't you call her a whore  
I'll fuckin' tear your esophagus out  
She's sweet and she's getting old  
And she's mine, to have and to hold

She needs a dentist appointment quick  
I pay for it and she sucka my dick  
When we text each other, I fiddle with my anus

I stick the finger in it!  
Then I fuckin' didariddly doo  
And I fuckin' gots to spew  
Upon my belly, dripped upon my shoe  
Get me a tissue

Chardonnay in the setting sun  
She's 39, but she's number one  
Get the apartment just right, she's comin' over tonight

I like it cause I don't feel scared  
She's 39, I'm in my underwear  
Here she comes, comin' down the hallway  
She's knockin' on my door!

I open the door  
There she is, not too bad, good enough  
39 year-old lady, young enough for me  
Boobies droopin', but she's good enough for me  
Trimmed her pussy hairs, good enough for me  
Mature woman, she's my lady

Uh huh, uh huh, ooh yeah  
She ain't gonna be fuckin' around with no other guys  
Nanananah-nah, she's mine, she's my special lady  
Special lady

We can see a fuckin' movie  
And agree it's a total piece of shit  
Comfortable shoes, never lose  
We can fuckin' talk about some things

She don't need no diamond rings  
She don't need no diamond rings
